## Food for the Holidays

'Tis the season for a little celebration and nothing says celebration like family, good friends and delicious food. Let us be a part of your seasonal event this year. We can bring platters of deli sandwiches with sides of cole slaw and, of course, pickles. Want more? We have a truck we can bring to your event to prepare hot food for your guests on the spot!

Contact us at (289) 925-4896 to make all the arrangements.
